Internship Offer Letter

MERN Stack Internship

Criohub Solutions Pvt Ltd
Bangalore, Karnataka
Date: January 01, 2026

Dear Gogul Vijay V

We are delighted to offer you an internship opportunity with Criohub Solutions Pvt Ltd in the MERN Stack Development Department, commencing on January 01, 2026.

During this internship, you will collaborate with our development team on real-time projects, where you will gain practical exposure to full-stack web application development using MongoDB, Express.js, React.js, and Node.js. You will work on designing user interfaces, developing RESTful APIs, managing databases, and implementing secure authentication systems.

The program is designed to strengthen your analytical and technical skills while giving you the opportunity to contribute meaningfully to our ongoing projects.
We look forward to your valuable contribution and growth with our team.

Internship Details:

- Department: MERN Stack Developer
- Start Date: January 01, 2026
- Duration: 30 Days
- Location: Criohub Solutions Pvt Ltd.

We expect you to uphold a strong sense of responsibility, punctuality, and enthusiasm throughout the course of your internship. Upon successful completion, you will be awarded a Certificate of Completion from Criohub Solutions Pvt Ltd.

We are excited to have you join the Criohub family and look forward to your valuable contributions. Kindly confirm your acceptance of this offer by replying to this letter.

Warm regards,

CRIOHUB SOLUTIONS PRIVATE LIMITED

Certificate of Internship

MERN Stack Internship

Criohub Solutions Pvt Ltd
Bangalore, Karnataka
Date: January 10, 2026

This is to certify that Gogul Vijay V has successfully completed his MERN Stack Developer Internship from January 10, 2026, to February 12, 2026, at our organization.

During this period, he worked on a project titled "Task Management and Collaboration Platform." The objective of the project was to design and develop a full-stack web application that enables users to create, assign, track, and manage tasks efficiently within a team environment.

As part of the project, he developed responsive user interfaces using React.js, built RESTful APIs using Node.js and Express.js, and managed application data using MongoDB. He also implemented user authentication, role-based access control, and CRUD operations to ensure secure and smooth functionality.

During the course of the internship, he demonstrated strong full-stack development skills with a proactive attitude toward learning new technologies. His performance exceeded expectations, and he successfully completed and deployed the project within the stipulated timeline.
We wish him continued success in all his future endeavors.

Warm regards,

Adil Shabab
Founder & Creative Head
